A nostalgic nod to the roots of our outdoor clothing range. “Original” pays homage to the timeless designs and pioneering spirit that marked the inception of our journey. Rooted in authenticity, “Original” encapsulates the very essence of our brand’s beginnings, presenting a selection of products that have stood the test of time.

“Original” goes back to the foundational pieces that defined our outdoor clothing range when we first embarked on this adventure. These products embody the rugged durability, functional innovation, and classic style that have been integral to our brand from day one. Each item in the Original collection tells a story of craftsmanship and passion for the great outdoors.

Expect to find the familiar garments and features that have been cherished by outdoor enthusiasts since our inception. The colour palette is inspired by the natural beauty of the wilderness, reflecting earthy tones and muted hues that seamlessly blend into any outdoor setting.

Original is not just a collection; it’s a journey through time, an exploration of where we began and a celebration of the enduring appeal of our foundational designs. We invite you to embrace the rugged charm and authenticity that fueled our brand’s initial inspiration. Whether you’re a seasoned adventurer or someone looking to infuse their wardrobe with timeless outdoor allure, Original offers a selection that transcends trends and stands as a testament to the enduring legacy of our outdoor clothing range. Welcome to a collection that defines the heart and soul of our brand.

- welcome to Original.

ADVENTURE

An evolution within our outdoor clothing range that propels exploration to new heights. Born from the spirit of innovation, the Adventure range seamlessly blends the rugged charm of outdoor wear with cutting-edge technology.

This collection introduces a range of technical fabrics that redefine versatility, allowing enthusiasts to embrace a broader spectrum of outdoor activities without compromising on performance or style. In Adventure, every garment is a testament to the marriage of functionality and innovation. Technical fabrics, engineered for durability, flexibility, and water resistance, form the backbone of this collection. Each piece in the Adventure range is crafted to empower individuals to embark on diverse outdoor pursuits with confidence.

The colour palette draws inspiration from the varied landscapes encountered during adventures – from deep forest greens to mountain-scape blues, reflecting the connection between the wearer and the natural world. The designs, while performance-driven, exude a contemporary aesthetic, ensuring that you not only conquer the elements but do so in style. Adventure extends beyond the conventional boundaries, offering gear that adapts to the dynamic demands of various outdoor activities.

Whether you're hiking rugged trails, conquering mountain peaks, or exploring untamed terrains, Adventure caters to the modern explorer who seeks functionality without compromising on the aesthetics. Welcome to Adventure, where technical prowess meets outdoor passion. It's more than a collection; it's an invitation to push your boundaries and redefine what's possible. Embark on your next adventure with the confidence that your clothing is as ready as you are.

Experience the evolution – experience Adventure.

 SOUTH AFRICA 1932

A seamless integration of quality and durability into your everyday wardrobe within our outdoor clothing range. "Casual" expands upon our core principles, offering a collection that effortlessly transitions from outdoor pursuits to work and leisure, embodying a blend of rugged functionality and laid-back style.

In "Casual", we've curated a range of garments that mirror the durability and craftsmanship inherent in our original outdoor clothing line. From robust work shirts to versatile chinos, each piece is a testament to our commitment to quality, ensuring that your everyday wardrobe is as resilient as your adventures in the great outdoors.

The "Casual" collection is designed to bridge the gap between work and play, providing a stylish and comfortable solution for every occasion. Expect timeless designs that are both versatile and enduring, reflecting the reliability of our brand. The colour palette is a reflection of nature's subtleties, featuring earthy tones and muted shades that seamlessly integrate into your daily life.

Whether you're heading to the office, exploring the urban jungle, or simply enjoying a weekend getaway, "Casual" ensures you're dressed for durability and comfort. Durable fabrics and thoughtful details make these garments reliable companions for the multifaceted demands of your day.

"Casual" is not just a clothing line; it's an expression of a lifestyle that values quality and resilience in every aspect. Elevate your everyday attire with the confidence that your clothing is built to withstand the rigors of both work and play. Experience the fusion of functionality and style – experience "Casual".

SOUTH 1932 AFRICA

TERMS & CONDITIONS

1. The following terms and conditions pertain to Sterling's Summer 24' range from 1st August 2024 until 28th February 2025.
2. All prices quoted are valid for the full duration of the Summer 24' season and/or upon delivery dates scheduled in terms of a binding order by the customer.
3. All prices are exclusive of VAT.
4. All prices quoted are free of rail Johannesburg or Durban.
5. The cost of transporting or delivering goods is for the customer's account.
6. The prices for each style are quoted specifically for sizes 28-42 for Bottoms, and S-XL for Tops. Thereafter, surcharges will apply for larger sizes.
7. These conditions do not constitute a waiver by the seller of any of its rights under Common law.
8. All terms and conditions as per our Purchase Order as well as our Credit Application shall remain in full force and effect.
